Learning Commons News @ Drummond Central

It's great to be back at Drummond Central as your Learning Commons Informationist for the 20/21 school year! Need to find a book or have questions on how to access all our amazing databases? Contact me anytime at

sharon.whittaker@ucdsb.on.ca.

Book Exchange

Students are not able to visit the Learning Commons at this time, BUT they are still reading library books! Each classroom is being regularly provided with a bin of books for in class reading. Students store book selections in their desk and items are quarantined after use.

Database of the Month

myON - <https://www.myon.com/login/index.html>

Our new e-book database is amazing, with over 5,900 digital books, including fiction, non-fiction novels and graphic novels. With myON, students can choose from recommendations based on their interests and reading level or browse the full library. This is a subscription database provided by the UCDSB. A username and password is required.
