Return to School	Jan. 3
Family Literacy Day	Jan. 27

Introducing WITS Program

The WITS Program encourages children to make safe and positive choices when faced with peer conflict. The acronym provides a common language that children and the adults around them can use to talk about and respond to problems. It teaches children to walk away, ignore, talk it out, or seek help.

Primary Play Structure

I am sure all of you that have driven past our school have noticed our play structure missing from the primary yard. The play structure was unsafe and rotting. The students have not been playing on it since September. I have heard from many parents who remember playing on the structure when they were younger. The staff miss the structure as well. Our students are still having fun on the yard and currently have a huge sandbox to play in. Our Drummond Parent/School Council has been brainstorming ideas for the yard. Please feel free to join parent/school council to share your ideas. The next meeting will be in January. Please send me an email if you would like to be included in our next virtual meeting.

Virtual Holiday Presentation

With Covid prevention protocols still in place, we will once again be sharing our Holiday Presentation via Facebook. It will be posted December 16th. Our Facebook link is:

<https://www.facebook.com/DrummondCentralSchool> or you can scan the QR code to get to our page.

Can You Solve This Math Question?

The snowman is going shopping. He wants to buy these 5 items. How much money is his outfit?

BONUS: You have \$30 to spend on the snowman's outfit. How much change will he get back?

Math question created by Ella Ireton and Kaylie Ennis

Please Label Clothing

We are seeing a lot of lost clothing items within the school and on the yard. Please write your child's name on items they are likely to remove if they get hot or wet, such as sweaters, jackets, splash pants/snow pants, footwear and hats. This will help us get the items back to the rightful owner.

Drummond Central Extended Program is taking the opportunity to wish our families a very **Merry Christmas** and all the best in the **New Year!**

We usually do something special every year for our children, and this year, a Christmas present will be offered sometime in December!

Also, this year, we will offer full day childcare from December 20 to 23, 2021 inclusively.

New families are welcome!

As usual, our program will be **closed** from December 24, 2021, to January 2, 2022, inclusively with no fees charged **except for the three statutory holidays**.

Regular before and after school fees apply for December 25 and 26, 2021 and January 1, 2022.

Our program will re-open for before and after school care on **January 3, 2022**

HAPPY HOLIDAYS TO ALL from Anne-Marie, Kevin and Michelle!
