A Message From Ms. Byers

The staff at Drummond are so excited for the start of school! Everyone has been busy getting their classroom all set for the return of students. I am really looking forward to seeing everyone and I hope each of you had a great summer. We have a few new faces this school year. We welcome Mrs. McGlade, Ms. Hanna and Ms. Linda to DCS. Looking forward to seeing parents on September 14th at Meet the Teacher.

Absence Reporting & After School Care

If your child is going to be absent or late for any reason, please report their absence through My Family Room or leave a message on our school voicemail: 613-267-4789. Please also notify the school if there is a change to your child's normal dismissal routine.

If your child will be attending the Drummond Central Extended Program at the end of the day, please notify the school. It is not the responsibility of the daycare to notify us.

Student Reminder

Students are reminded to bring a refillable water bottle with them to school. We have a water filling station on both floors.

Student Verification Forms

Your child's student verification form was sent home to be updated. We require the most up to date information in our database and would like you to check the form carefully. Please record any new information or changes directly on the sheet. If there are no changes, simply sign, date and return. Thank you!

Please pay particular attention to:

- * medical information (especially life-threatening issues)
- * emergency contact numbers (please list someone other than parents, in case we can't reach you)

***** Please have these updated forms returned to the office by Friday, September 9th *****

Allergy Alert

Please be aware Drummond Central School is a **nut free school**. Many soy-based products, which resemble peanut butter, have become available at grocery stores and supermarkets. Due to severe, life threatening allergy concerns, these soy-based products, along with any products containing nuts, are not permitted at school. Your cooperation in this matter is greatly appreciated.

Medication Information

Any student that takes prescribed medication at school must have an Authorization to Administer Medication form filled out by their Physician for prescription medication and filled in by parent/guardian for non-prescription medication.

A new form must be filled out every school year. We must have the completed and signed form, medication in original Pharmacy bottle labelled with dosage and instructions, and the pharmacist medication information sheet on file before we can administer the medication to your child on your behalf.

Items From Home

Just a reminder, toys from home should not be brought to school. Each class is equipped with a bin of fidget/sensory items as well as outdoor playground equipment.
