We will celebrate Halloween by wearing orange and black, no costumes please. A small, pre-packaged treat will be provided for the students.

**Please remember to make sure all items sent in your child's lunch are peanut-free.**

## Fire Prevention Week

We have been practicing our fire drills so we are all prepared on what to do in the event of an emergency. We are required to have 3 fire drills in the fall and three in the spring. We have had 2 of our 3 fall drills and our third will take place during Fire Prevention Week where the fire department will be on site to observe us.

## Start of Day Yard Supervision

This is a reminder that yard supervision begins at 9:05 am, therefore students are not to go to the yard until this time.

The daycare staff may be seen on the yard with some students prior to 9:05 am, however they are only responsible for those students registered for before school care. All other students will have to wait in your vehicle until yard supervision begins.

## Student Pick Up

Anyone coming to pick up their child at the end of the day must notify the office of their arrival by ringing the bee buzzer at the front door. Your child will then be called to meet you. For the safety of our students, parents are not permitted on the school yard unless arranged by the Principal.

## Returning From Illness

Students who were home sick with a fever are required to be 24 hours fever free before returning to school.

Students who were home sick with gastral symptoms (nausea, vomiting, diarrhea) are required to be 48 hours symptom free before returning to school.

Thank you for your support in helping to maintain a healthy learning environment for all students.

## TERRY FOX RUN

We are thrilled to say, not only did we reach our goal, but we surpassed our goal and raised a total of **\$800** for cancer research! Way to go Drummond Bees!
